While in Chennai, Murugavel knows that his brother is now a well-known criminal who is involved in kidnapping as well as other criminal cases. He comes to know that his brother and others who make such cases are under the age of 18 and they are controlled by a person named Meesa Padma (Sai Dheena), a local thug and gangster who uses children under the age of 18 for his antisocial activities. Murugavel is identified as a vegetable seller by his brother, and Murugavel also shows the interest of living with his brother. On the other hand, Murugavel's brother tries to kill Murugavel by adding poison to the food bought for him, but Murugavel refuses to eat for three consecutive days. On where Murugavel his vegetable shop, he meets Madonna (Nivetha Peturaj), a policewoman who picks up bribes from local shopkeepers. At night brother plans the next snatching operation at a location near the Murugavel shop. He is revealed as a police officer to his brother that night and pursues his brother in the streets. When he is arrested, he says he has not reached the age of 18, so he cannot be convicted before the law. Murugavel somehow manages to do 12:00 AM, the day his brother turns 18. He then kills his brother. From there, Murugavel is considered a daring police officer and is promoted as an inspector, but fights a condition of getting high blood pressure and insomnia at times. He embarks on a mission to solve problems in the city and decides to take on Meesa Padma by projecting the police as the heroic figure rather than Meesa Padma, whom the young people see as their heroic figure. In a parallel story, we witness the blossoming of Madonna and Murugavel. Throughout the story, we see Madonna protect Murugavel in many ways, while expressing her love for Murugavel. One day, Murugavel is having two young boys working for Meesa Padma. He is then rescued and admitted to the hospital by Madonna, who has planned a Murugavel nightmare to slice. With people closing their shops to see him, the young boys realize their mistake and Murugavel's side during the final climate fight between Murugavel and Meesa Padma who sees, Murugavel emerges victorious and Meesa Padma fractured in several places by the young. They become friends of the police on Murugavel's recommendation. Murugavel was then promoted to assistant police commissioner by the inspector general, whose order was heard on Madonna's walkie-talkie. Murugavel is finally at peace, when he sees the photo of his mother on which his brother's hallucination comes in peace with him when his brother is seen apologizing for his mistake and reversing Murugavel as the real hero and allows him to sleep in peace. We see that Murugavel's blood pressure remains stabilized to normal during his sleep, implying that he has successfully struggled with his insomnia.
